<small>AGENCY NAME</small> LAKE STEVENS POLICE DEPARTMENT	<small>INCIDENT CLASSIFICATION</small> Assault 4th Degree (Domestic Violence) Impaired Driver Investigation Hit and Run Unattended (Property Damage)	<small>INCIDENT NUMBER</small> 14-00380
<small>NAME OF VICTIM(S)</small> Harris, Jason P.		

Summary:

While driving home from a wedding, Jason P. Harris and wife of 7 months, Melanie M. Harris were arguing. Melanie was driving while under the influence of intoxicating liquor and/or drugs and struck another vehicle. Melanie then left the scene of the collision and while continuing the argument, struck Jason on the face leaving a small scratch.

Narrative:

I am a fully commissioned Police Officer, commissioned by the Chief of the Lake Stevens Police Department, certified by the State of Washington, to enforce the laws of the State of Washington in the City of Lake Stevens, or Snohomish County. On the date and time of this incident I had the legal authority to arrest.

On the date and time of this incident I was operating a marked Lake Stevens Police Department patrol vehicle and was wearing a full Lake Stevens Police duty uniform which includes shoulder patches and a chest badge which clearly identified me as a Police Officer.

On 02/15/14 at 2358 hours (all times approximate) I was dispatched to the residence located at 1044 81st DR SE in the City of Lake Stevens in reference to a reported physical domestic violence incident. Information provided stated that a male subject, later identified as Jason P. Harris (02/06/86) had been assaulted by his wife, Melanie M. Harris (03/09/86).

I arrived in the area at 0002 hours and made contact with a male subject standing outside of the residence. He was identified as Jason. Jason stated that he and Melanie had been at a friend's wedding and while on the way home began to argue about text messages that Melanie had discovered between Jason and another woman. Jason stated that as they were approaching their residence, Melanie struck a parked vehicle with their car causing damage. He stated that she pulled the car into their garage where the argument continued. Jason said that at one point, Melanie struck him on the left side of his face. I looked at Jason's face and observed a small scratch and red marks where he indicated. Jason stated that he shouldn't have let Melanie drive as he knew they were both intoxicated.

I examined the parked vehicle that Jason had pointed to. The vehicle held Washington license AOA7510 which was registered to Brendan W. McLane who lived at 1027 81st DR SE. I observed noticeable damage to the front passenger side of the bumper.

I contacted Sergeant Miner and Officer Aukerman who were inside the residence with Melanie. I relayed the information I'd obtained and Sergeant Miner indicated there was noticeable damage to the vehicle

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing statement is true and correct.

ADDITIONAL NARRATIVE

<small>AGENCY NAME</small> LAKE STEVENS POLICE DEPARTMENT	<small>INCIDENT CLASSIFICATION</small> Assault 4th Degree (Domestic Violence) Impaired Driver Investigation Hit and Run Unattended (Property Damage)	<small>INCIDENT NUMBER</small> 14-00380
<small>NAME OF VICTIM(S)</small> Harris, Jason P.		

Melanie had been driving. I asked Melanie about the altercation between her and Jason but she offered little insight. Melanie denied any physical altercation between the two. During his interview with Melanie, Officer Aukerman stated he'd observed, pursuant to his training and experience that Melanie was exhibiting signs of impairment.

At that time, I developed probable cause for the crimes of RCW 9A. 36.041, Assault 4th Degree (Domestic Violence) for striking Jason on the face leaving red marks and a scratch as well as RCW 46.52.010.1, Hit and Run Unattended (Property Damage) for causing a collision with another vehicle and fleeing the scene. Officer Aukerman stated he also believed that Melanie was under the influence of intoxicating liquor and/or drugs.

I asked Melanie if she would be willing to perform standardized field sobriety tests. Melanie stated she would. I excused myself briefly while I retrieved my preliminary breath test device (PBT) from my patrol vehicle. When I arrived back inside the residence, Officer Aukerman had initiated standardized field sobriety tests. I remained present as a cover officer. I observed the field sobriety testing was conducted in accordance with my training.

Upon completion of the testing, Melanie provided a breath sample into the PBT which showed she was over the legal limit of .08. Melanie was placed under arrest without incident.

I assisted in escorting Melanie to Officer Aukerman's patrol vehicle.

I contacted Jason who had provided a written statement about the incident. Jason was given a domestic violence pamphlet.

I made contact with McLane, the damaged vehicle owner, and received his contact information for the collision report.

I cleared the scene at 0042 hours and returned to the Lake Stevens Police Department. I spoke with Officer Aukerman who informed me that the Lake Stevens Police BAC/Datamaster machine was displaying an error message stating the machine was out of service. I issued citations for RCW 9A. 36.041, Assault 4th Degree (Domestic Violence), RCW 46.52.010.1, Hit and Run Unattended (Property Damage) and RCW 46.61.502, Operating a motor vehicle while under the influence of intoxicating liquor and/or drugs (DUI) to which probable cause had been established.

Officer Aukerman transported Melanie to the Marysville Jail for BAC/Datamaster testing and booking.

END OF REPORT

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing statement is true and correct.

I have received BrAC (breath alcohol concentration) training and I am certified to operate the BrAC Data Master/Data Master cdm. The breath test in this impaired driver investigation was conducted in accordance with my law enforcement training.

NARRATIVE:

On 02/15/2014 at about 2358 hours (all times approximate) I responded to a radio dispatched call of a domestic violence assault at the address of 1044 81st Drive SE in the city of Lake Stevens. Sgt. Miner and Officer Thor also responded to the call.

Jason Harris called 911 to report his wife, Melanie, had been physical with him. Jason reported Melanie had been drinking, that she had hit a parked car and that she had punched him in the face. Jason informed the 911 call taker that he would wait for the police outside of their residence.

At about 0002 hours we all arrived on scene. Officer Thor made initial contact with Jason Harris in front of the residence and I went to the front door of the residence to contact Melanie Harris.

Initial Observation:

I knocked on the front door of the residence and was greeted by a female who verbally identified herself to be Melanie Harris. Melanie was crying and smelled very strongly of intoxicating liquor. I requested to go inside Melanie's house and talk to her about what was going tonight. Melanie invited me inside after briefly struggling to pick up her small dog that was running about. As I entered the home I noted there were no interior lights on and requested we turn on some lights. Melanie turned on the interior lights in the home where we were located.

I asked Melanie what had occurred this evening between her and Jason that may result in the police being called. Melanie continued to cry and claimed that Jason has a past criminal record for domestic violence on other women and that he is just trying to get her into trouble tonight over something that they had been arguing about. It was later found that Melanie had found a text message on Jason's phone from another women and that Melanie had over reacted and accused Jason of infidelity.

As Melanie sobbed as she tried to explain the incident, I noted she spoke with a thick slurred speech, that she was repetitive in thought and occasionally would take repetitive breaths as though she was about to start hyperventilating. I noted Melanie's eyes were full of tears, that her eyes were very red and bloodshot and that her breath smelled very strongly of intoxicating liquor.

When I asked Melanie about anything being a physical assault between her and Jason, Melanie denied there had been anything physical between them. When I asked Melanie about hitting a parked car, Melanie claimed she had not struck a vehicle and again claimed Jason was attempting to get her into trouble. Melanie accused me of believing Jason and that I was allowing Jason "to win". Melanie claimed she is the victim of Jason and that Jason is very mean to her all the time and that Jason has a history of hitting other women.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing statement is true and correct.

ADDITIONAL NARRATIVE

AGENCY NAME LAKE STEVENS POLICE DEPARTMENT	INCIDENT CLASSIFICATION IMPAIRED DRIVER INVESTIGATION	INCIDENT NUMBER 14-00380
NAME OF VICTIM(S)		

I asked Melanie if she had been driving a vehicle tonight. Melanie stated she had driven her vehicle home from a wedding in Everett tonight. Melanie claimed Jason had made her drive him home. I asked Melanie when she had gotten home this evening. Melanie stated she had been home for about 15 minutes. I asked Melanie if she had consumed any liquor since being home in the past 15 minutes. Melanie stated she had not consumed any liquor since arriving home. I asked Melanie how much liquor she had been drinking at the wedding this evening. Melanie stated she had consumed a couple of glasses of wine and did not have an exact number of drinks she had consumed. When I asked Melanie what time it was now with her looking, Melanie stated she did not know what time it was now.

I asked Melanie about striking a vehicle as she drove home tonight. Melanie denied having hit another vehicle while she had been driving. I asked Melanie if she would show us (Sgt. Miner and I) her vehicle that was said to be parked in the garage. Melanie led us into the garage and showed us her 2012 Jeep bearing license plate #AHC2004. This was the only vehicle parked in the garage or in the driveway at the residence.

Sgt. Miner told me that he noted damage to the front of Melanie's vehicle which was consistent with the damage to the neighbor's vehicle in the street. Sgt. Miner also informed that Melanie would have had to back her vehicle up after striking the neighbor's vehicle; indicating Melanie had to have known she hit the neighbor's vehicle.

We returned inside the residence and continued the investigation. During the conversation it was found that Melanie and Jason had been married for 7 years, according to Melanie (Jason saying 7 months), that Melanie and Jason reside at this residence together and that they do not have any children. Melanie also stated she is a teacher and that she teaches the first grade.

Officer Thor was now inside the residence and questioned Melanie about the assault. Officer Thor told me that he had observed marks on Jason's face which Jason claimed were caused by Melanie striking him. I looked at Melanie's hands and found no obvious wounds and noted she was wearing two rings.

Officer Thor also asked Melanie if she would perform some voluntary field sobriety tests. Melanie stated she would do the field sobriety tests. Officer Thor excused himself from the residence for a minute to go get his preliminary breath test device (PBT). I began and completed the standardized field sobriety tests with Melanie.

Pre-arrest screening (voluntary field sobriety tests):

Prior to administering the standardized field sobriety test I asked Melanie Harris several questions in regards to her eye sight and any physical impairment which may affect the way she may perform the standardized field sobriety tests. Melanie Harris was wearing glasses at the time which I asked her to remove. Melanie Harris claimed she was not injured at this time. I asked Melanie Harris if took any prescription medications. Melanie Harris claimed she does take medications, though she could not recall what they were or what they were for.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing statement is true and correct.

NAME OF VICTIM(S)		

I conducted the field sobriety tests with Melanie Harris inside her home, which was well lit from interior lighting. Melanie Harris conducted the field tests in her bare feet without her glasses on, on a carpeted floor.

Eye Test/Horizontal Gaze Nystagmus (HGN/VGN/Lack of convergence): I checked Melanie Harris' eyes by using a lighted stimulus, which was used and performed in accordance to my law enforcement training.

As I checked Melanie Harris' eyes I observed she swayed side to side as she sat on the edge of her couch. I had to remind Melanie Harris several times to keep her head still and to continue following or looking at the stimulus until I asked her to stop.

Checking Melanie Harris' eyes I observed she had equal pupils and that her eyes tracked the stimulus equally. I observed a lack of smooth pursuit in both of Melanie Harris' eyes on both passes. I observed distinct and sustained nystagmus at maximum deviation in both of Melanie Harris' eyes on both passes. I observed an onset of nystagmus prior to 45 degrees in both of Melanie Harris' eyes on both passes. I did not observe vertical nystagmus in either of Melanie Harris' eyes.

The walk and turn and one leg stand evaluation tests were conducted on a carpeted, level surface in interior lighting conditions.

Walk and turn: Melanie Harris performed this test in her bare feet.

Instruction phase: During the instruction phase Melanie Harris lost her balance, having to separate her feet and raise her arms to regain balance as she moved to her right.

Initial 9 steps: Melanie Harris took very slow and methodical steps. I noted Melanie Harris' upper body swayed side to side as she attempted to keep her balance as she walked heel to toe. I had to instruct Melanie Harris several times to look down at her feet as she walked. Melanie Harris missed 2 heel to toe steps and used her arms for balance. Melanie Harris completed 9 steps.

Turn: At the turn Melanie Harris stopped, began crying and commented she could not remember what I had told her to do. Melanie Harris completed a short pivot while also moving both of her feet to turn herself around to her right.

Returning 9 steps: Melanie Harris continued to cry as she walked back. Melanie Harris missed one heel to toe step, she used her arms for balance and took very slow and methodical steps. Melanie Harris completed 9 steps.

One leg stand: Melanie Harris raised her right foot during this test. Melanie Harris counted very slow as she attempted to remain balanced and count out loud. I had to instruct Melanie Harris several times to look at her raised foot while she counted. This seemed to confuse Melanie Harris as she would hesitate with her counting and appear unable to focus on multi tasking. Melanie Harris dropped her foot on her count of 9, which was actually at

the time limit of 23 seconds. Melanie Harris kept her foot on the ground where she had dropped it, failed to continue as previously instructed and remained in this position until the time limit of 48 seconds when I stopped the test.

Preliminary breath test (PBT): Officer Thor's PBT #048226.

I instructed Melanie Harris on how to give a correct breath sample into the PBT. At about 0022 hours Melanie Harris provided a breath sample into the PBT; test result showed .213 BrAC.

OFFICER'S OPINION: In my opinion as a 14 year veteran of law enforcement, and having been a Drug Recognition Evaluator (DRE), having processed over 100 impaired driver's and having had contact with thousands of intoxicated subjects, it is my professional opinion (based on the totality of this impaired driver investigation) that Melanie Harris is under the influence of intoxicating liquor and/or drugs and unable to operate a vehicle safely.

Arrest/Miranda: I advised Melanie Harris that I was placing her under arrest for operating a motor vehicle while being under the influence of intoxicating liquor and/or drugs, hit and run unoccupied motor vehicle and assault fourth degree domestic violence.

I placed Melanie Harris under arrest, securing her in a single set of handcuffs behind her back. I read Melanie Harris Miranda from my department issued Miranda warnings card, which Melanie Harris attempted to inform me while I was reading that she knows her rights. Melanie Harris stated that she understood her rights and that she would talk to me now.

I escorted Melanie Harris out of the home to my patrol car where I secured her in the backseat. It should be noted that Melanie Harris continued to cry very hard and was claiming the Jason was winning and that I was allowing this to happen.

Melanie Harris made several comments how she is a good person who does nothing wrong. When Melanie Harris asked if she was going to jail tonight, and was told she was, Melanie Harris stated she did not want to wear "jail clothes" or be placed in a cell with "crazy people".

At about 0029 hours I transported Melanie Harris to the Lake Stevens Police Department for the breath test. While en route to the police department Melanie Harris stated her father is Sgt. Britton with the Everett Police Department and that she wanted to call him.

Administrative process (BrAC/disposition): Arriving at the BrAC machine at the Lake Stevens Police Department I observed the Data Master cdm was displaying out of service.

NAME OF VICTIM(S)		

At about 0040 hours we arrived at the Lake Stevens Police Department. Once inside the BrAC room I removed the handcuffs from Melanie Harris and asked for her father's phone number. Melanie Harris now stated she wanted to call her mother and gave me that phone number.

In the BAC room Melanie Harris asked me if she have lied about driving and drinking tonight. Melanie Harris asked me had she lied about not driving if she would have been arrested. I questioned Melanie Harris about wanting to lie due to the fact that she claimed to teach the first grade. Melanie Harris stated that she felt had she lied tonight that she would not be in trouble. I asked Melanie Harris if she teaches her first grade students that it is okay to lie as long as it keeps you out of trouble. Melanie Harris did not respond to my question.

I called her mother, Julie and allowed Melanie Harris to speak with her while in my presence. Melanie Harris continued to cry very hard as she attempted to explain what had happened. Melanie Harris' mother told her several times to pull herself together, to stop talking right now because everything she said would be used against her in court and to request an attorney. Melanie Harris stated she did not know how to request an attorney. Due to Melanie Harris' mother telling Melanie Harris to ask for an attorney and Melanie Harris' confusion on how to go about requesting an attorney, I spoke up and asked Melanie Harris' mother if she had an attorney or if a public defender would need to be contacted. Melanie Harris' mother indicated a public defender would need to be contacted.

At about 0050 hours Melanie Harris ended her conversation with her mother and I called the afterhour's public defender phone line. A short time later I was contacted by public defender Jenna Crouch who was allowed to speak with Melanie Harris in private. At about 0018 hours Melanie Harris ended her conversation with her attorney.

At about 0122 hours I placed Melanie Harris in a single set of handcuffs placed in front of her to transport her to the Marysville Jail for the breath test and booking.

At about 0136 hours we arrived at the jail. I removed the handcuffs from Melanie Harris and she requested to use the bathroom. After Melanie Harris finished in the bathroom I began the breath test with Melanie Harris. The time displayed on the BrAC machine was now 0141 hours.

In the BrAC room I observed that the BrAC machine external standard solution thermometer was within the required range of 34 degrees Celsius, +/- .2 degrees Celsius, and that the external solution paddle was turning in the solution. The RFI antenna was present and attached. The breath tube was present and attached; being warm/hot to the touch. The external standard solution was later found to be within the required range of .072 to .088; the printed breath test document at about 0206 hours indicated the external standard solution was at .080.

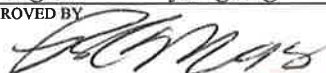

At about 0142 hours I asked Melanie Harris if she had any foreign substances in her mouth. Melanie Harris stated that she did not have anything in her mouth and initialed on the DUI arrest report to this fact. I then checked Melanie Harris' mouth, finding no foreign substances.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing statement is true and correct.

I read Melanie Harris her constitutional rights from the DUI arrest report form. Melanie Harris signed the form stating she understood her rights.

I then read Melanie Harris implied consent from the DUI arrest report form. Melanie Harris signed the form stating implied consent had been read to her or that she had read implied consent. I then asked Melanie Harris if she would now submit to a breath test. Melanie Harris checked the YES box and initialed by her response.

I observed Melanie Harris from the time of the mouth check through the completion of the breath test, which at no time did she vomit, eat, drink, smoke, or place any foreign substances in her mouth.

At about 0202 hours Melanie Harris supplied her first breath sample. At about 0205 hours Melanie Harris supplied her second breath sample. At about 0206 hours a breath test document was printed which showed Melanie Harris' first breath sample to be .164 BrAC and her second breath sample to be .170 BrAC (all results in g/210L). The breath test document in this impaired driver investigation is incorporated by reference.

Melanie Harris was given a copy of the breath test document; being placed her personal property at the jail. I read the hearing request information to Melanie Harris; which was also placed in her personal property at the jail. Melanie Harris signed the DUI arrest report on page one indicating the driver's hearing request information had been given to her.

After the completion of the breath test Melanie Harris' custody was transferred to the Marysville Jail staff. I completed my portion of the booking process and cleared the jail.
